Engineer Drawing

Glass Greenhouse

Features:

- Modern and novel
- Stable in structure
- High transmittance
- Sound insulation
- Good heat preservation
- Good display effect

Material Specifications

Item	Specification
Structure	Hot Galvanized Steel Pipe
Cover Material	5+6+5 hollow toughened glass
Ventilation System	Electric film winder
External Shading System	75% Shading net
Internal Shading System	100% Shading curtain
Cooling System	Cooling Pad & Fan

Technical Parameters

Wind Load	0.5KN/m ²
Snow Load	0.5KN/m ²
Greenhouse Constant Load	15kg/m ²
Maximum drainage rainfall	140mm/h
Hanging Load	20KN/m ²
