Construct Breakline Display in V8i

- Display fixed in **Construct Breakline**

The screenshot shows a 3D wireframe model of a terrain surface. A red line is drawn across the top of the model, and a yellow line is drawn across the middle. The model is displayed in a window titled 'View 1, Default - Zoom Scale = 1:276'. The window has a standard Windows-style title bar and a toolbar at the bottom.
