## China International Vacuum Technology Expo (CIVTE2024 2nd)

### International Conference of Vacuum Technology (ICVT2024 7<sup>th</sup>)

**Time:** November 25-27, 2024 (3 days)

No. 118 Shajing Road, Shajing Street, Baoan District,  
Shenzhen, China (Venus Royal Hotel)

**INVITATION**

### China International Vacuum Technology Expo (CIVTE2024 2nd)

**Date:** November 26-29, 2024 (4 days)

Hall 2, Shenzhen International Convention and Exhibition Center,  
1 Zhancheng Road, Fuhai Street, Baoan District,  
Shenzhen, Guangdong Province

# Dear Industry Colleagues,

In this era where technological innovation leads the future, we are filled with enthusiasm to sincerely invite you to participate in the "International Conference of Vacuum Technology (ICVT2024 7th)" to be held from November 25 to 27, 2024, at Venus Royal Hotel (Shenzhen International Convention and Exhibition Center Branch), No. 118 Shajing Road, Shajing Street, Baoan District, Shenzhen, Guangdong Province. This is not only a feast of technology and wisdom but also a multidimensional international exchange platform, covering technical reports, special lectures, industry exhibitions, new product releases, project roadshows, park investment promotions, and supply-demand matchmaking.

As a high-end platform gathering global academic and technical elites, this conference provides an excellent opportunity to promote industry communication and cooperation. Meanwhile, we will also hold the "1st International Vacuum Science and Technology Festival (IVST2024 1st)" and the "8th Anniversary Celebration and 2024 Annual Meeting of the Shenzhen Association for Vacuum Technology Industries (SAVTI)". We look forward to discussing cutting-edge industry technologies with experts and scholars from renowned global universities, research institutes, and enterprises and sharing innovative achievements.

To enhance the communication experience of each guest, the conference is specially equipped with simultaneous interpretation services in both Chinese and English, ensuring barrier-free communication for guests from different cultural backgrounds. It is expected that this conference will attract 800 to 1200 industry elites to participate. We eagerly await your presence to witness this grand event in the industry together.

In addition, the Shenzhen Association for Vacuum Technology Industries (SAVTI) and Xuntong Exhibition Company will jointly hold the DMP2024 Industrial Expo and the CIVTE2024 Second International Vacuum Technology Expo from November 26 to 29 at the Shenzhen International Convention and Exhibition Center. This will be a large-scale exhibition with a total area of 240,000 square meters, 12 exhibition halls, over 2,200 exhibitors, and an estimated 160,000 Professional Visitors.

We firmly believe that your participation will not only add infinite brilliance to the conference but also inject new vitality into the future development of vacuum technology. Let us join hands and create a bright future for the industry together.

We look forward to meeting you in the beautiful city of Shenzhen and embarking on a journey of technological exploration together.

ICVT & IVST & CIVTE 2024 Organizing Committee  
July 1, 2024

# International Conference of Vacuum Technology (ICVT2024 7<sup>th</sup>)

## ○ Keynote Report Topics of the Conference

- ⊙ New Energy and Vacuum Coating Technology and Applications.
- ⊙ New Display and Vacuum Coating Technology Applications
- ⊙ Engineering Machinery and Super-Hard Super-Thick Coating Technology Applications
- ⊙ Tool and Die with Hard Coating Technology Applications
- ⊙ Electronic Components and Vacuum Coating Technology Applications
- ⊙ Precision Optical Devices and Vacuum Coating Technology Applications
- ⊙ AR/VR Smart Wearables and Vacuum Coating Technology Applications
- ⊙ Plastic Surface Metallization and Vacuum Coating Technology Applications.
- ⊙ Magnetic Material Surface Metallization and Vacuum Coating Technology Applications
- ⊙ Vacuum Technology and Semiconductor Applications
- ⊙ Advanced Plasma Technology and Applications
- ⊙ Advanced Film Materials and Applications
- ⊙ Simulation and Preparation of Film Deposition Processes
- ⊙ Film Surface Characterization Analysis

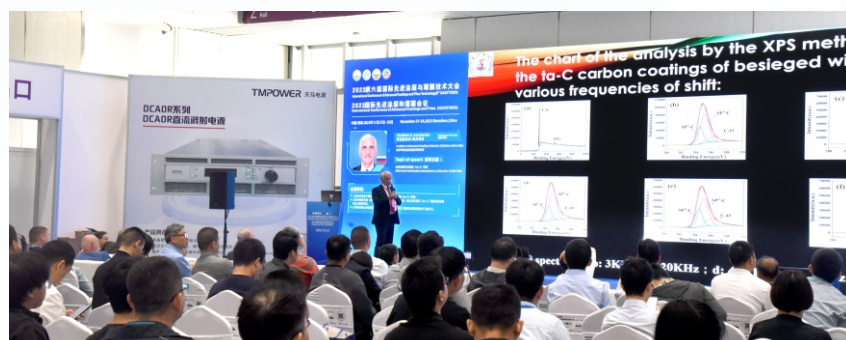

## China International Vacuum Technology Expo (CIVTE2024 2nd)

### ○ Six Exhibition Themes

## Review of Previous Conferences

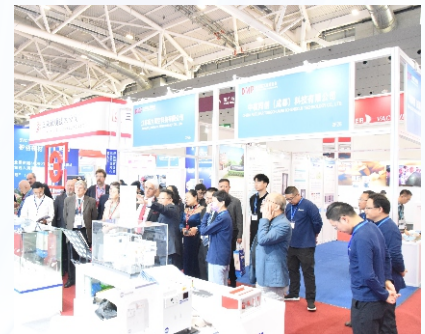

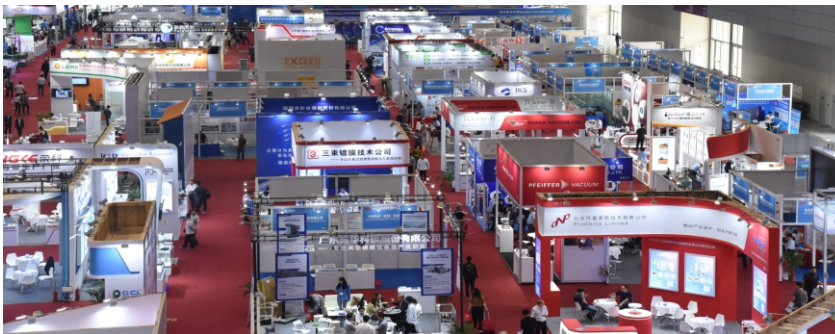

## Review of Previous Exhibitions

**The 2024 Expo on Advanced Coating and Film Technology(CIVTE) focuses on showcasing the latest trends in the industry's technological developments.**

The expo attracts professional attendees from various industries, including innovators, decision-makers, investors, etc. Engaging with them provides insights into the latest technological trends and applications in other sectors.

The expo typically invites and attracts well-known brands from the industry to exhibit their technological innovations and applications. Through booth visits, speeches, forums, etc., you can understand these leading brands' latest technological trends and market dynamics.

## Past Exhibitors/Sponsors ( Partial List )

# Exhibition Report from 2016-2023

## Everlasting Excellence, the Exhibition Continues to Achieve Success

3,800

Conference Participants

30,000

Number of Visitors

16,000

Exhibition Area

550

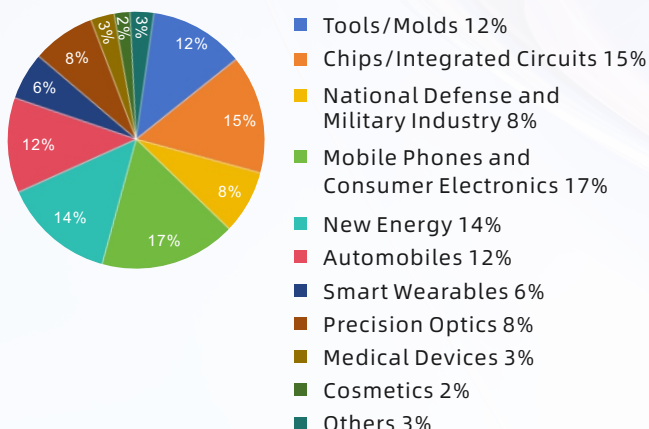

Exhibiting Companies

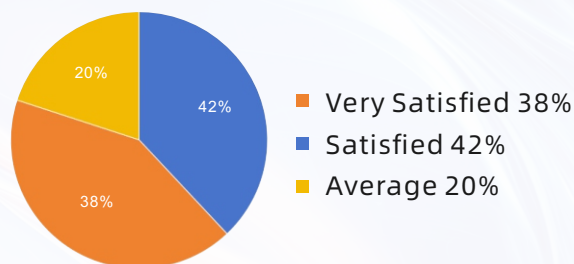

## Industry Distribution of Conference Participants

## Overall Satisfaction of Exhibitors

## Comprehensive Upgrade of the Exhibition, Gathering Industry Leading Brands

### Why Exhibit?

1. 800-1000 Participants Covering All Application Scenarios of Vacuum Coating Technology
2. The "ICVT International Conference of Vacuum Technology" Has Successfully Held Six Sessions, Accumulated Industry Data Ensuring Benefits for Participants and Exhibitors
3. Over 200 Stable Domestic and International Industry Exhibitors
4. Providing over 20 of the Latest and Most Authoritative Professional Technical Research Reports in the Industry
5. The Global Vacuum Industry CEO Summit with Forward-Looking Predictions of Industry Development Trends
6. Good Brand Effect, the Best Way for Industry People to Understand Domestic and International Vacuum Technology and Market Dynamics

#### Multiple Events Wonderfully Presented

#### Authoritative Experts

#### Vacuum Industry Decision Makers

#### Sharing the Latest Market Information

In the Annual Gathering of Authorities in the Vacuum Industry, You Can Promote the Market and Sell Products. You Can Also Communicate Deeply with Front-Line Researchers through Technical Reports, Sub-Conference Exchanges, New Product Releases, and Investment Promotions, Understand Their Needs, and Improve Products to Enhance Competitiveness.

Strong Exhibition Lineup

Innovative Technology Display

Rich Event Content

Precise Market Positioning

Professional Audience Invitation

Comprehensive Service System

## Various Promotional Combinations to Make Your Brand More Brilliant

In Addition to Booths, You Can Also Book Different Promotional forms Including Conference Journal Advertisements, Promotional Videos Played during Tea Breaks, Material Bags, New Product Launches, etc.

We Now Recommend Three Popular Products, for More Promotional Forms, Please **Call 159 2007 6789** for Consultation.

### Conference Journal

An Indispensable Conference Manual for Participants and An Important Channel for Professional Visitors to Understand On-Site Exhibitor Information and Conference Activities

### Conference and Event Sponsorship

Conference Content Focuses on Industry Hotspots, Gathering Precise Audiences

Senior Experts' On-Site Speeches Showcasing Product Technical Advantages

Integrating Online and Offline Promotion Channels Effectively Enhancing Brand Awareness

### Popular Conferences and Events:

Over 20 Professional Technical Reports

IVST 1st International Vacuum Science and Technology Festival

### On-Site Exhibition Advertisements

Must-Pass Areas for Visitors, Crowded Areas to Accurately Target Potential Customers, Improve Brand Exposure, and Convert Effective Customers, Leading Competitors by a Large Margin

## Media Support

# Exhibition Fees

## (1) China International Vacuum Technology Expo (CIVTE2024 2nd) Exhibition Fees

Booth Type	Regular Price Area	Special Offer Area	Remarks
Standard Booth/9m <sup>2</sup>	¥19800	¥12800	<b>1.Standard</b> booth includes three-sided paneling, carpet, one English-Chinese fascia board, one consultation desk, two folding chairs, four spotlights, one waste bin, and one 3A single-phase power outlet (up to 500W for non-lighting and non-machinery use). <b>2.Special offer booth:</b> Minimum area of 18m <sup>2</sup> , excludes carpet; a construction management fee of ¥20/m <sup>2</sup> is required (non-refundable). Exhibitors must arrange their own special booth construction. <b>3. The organizer will subsidize the following costs:</b> 80% of mechanical electricity/water/gas fees, 80% of on-site transportation fees (including overweight/oversized item fees, empty box handling/storage fees, product assembly fees, and special forklift fees).
Open Space/m <sup>2</sup>	¥2100	¥1380	
Area Discount (m <sup>2</sup> )			
1-26		22% off	
27-53		30% off	
54-71		35% off	
72-149		37% off	
150-224		40% off	
225 or above		45% off	

## (2)International Conference of Vacuum Technology (ICVT2024 7th) Participation Fees

Discount Period	1-2 People	3 or More People
July 1 - September 30	¥1000/person	¥800/person
October 1 - October 31	¥1200/person	¥1000/person
November 1 - November15	¥1600/person	¥1200/person
Regular Period	¥2600/person	¥2200/person

**Notes:**1.10% discount for association member units, 20% for council members, and 32% for vice-chairman units.  
2.10% discount for DMP non-association exhibitors who register for the conference.  
3.40% discount for students with valid student ID.  
4.During the discount period, share the association's official account notification to your WeChat Moments and keep it for three days to apply for a ¥100 participation fee waiver, once per person.  
5.Fees include lunch/tea breaks on November 25-26, the dinner on November 25, and materials fees, with a VAT invoice provided.  
6.No refunds after registration and payment, so please choose carefully.

## (3)International Conference of Vacuum Technology (ICVT2024 7th) Exhibition Fees

Exhibitors of the "China International Vacuum Technology Expo (CIVTE2024 2nd)" who reserve a standard booth (2m x 3m) for the "International Conference of Vacuum Technology (ICVT2024 7th)" will enjoy the following discounts:

Discount Period	CIVTE Exhibitors (m <sup>2</sup> )				Non- CIVTE Exhibitors
	Up to 18	18(incl.)-36	36(incl.)-72	72 and above	
July 1 - September 30	55% off	60% off	65% off	70% off	15% off
October 1 - October 31	50% off	55% off	60% off	65% off	10% off
November 1 - November15	50% off	50% off	55% off	60% off	5% off
Regular Period	¥15000				

**Notes:**1. The ICVT standard booth dimensions are 3M (Length) 2M (Width) 2.5M (Height). It includes three white panels, a bilingual (Chinese-English) fascia board for the exhibitor, two spotlights, one power outlet (up to 500W), one consultation desk, two folding chairs, carpet within the booth, and one waste bin. (The content of the booth advertisement is to be arranged by the exhibitor, and the organizer does not provide advertisement production or posting services.)  
2. When booking an ICVT booth, if multiple discounts are applicable, the most favorable discount will be applied. Multiple discounts cannot be combined.  
3. Each ICVT exhibitor booth comes with two complimentary conference passes; these are cumulative if multiple booths are reserved.  
4. Each ICVT exhibitor booth includes 0.5 pages of advertisement space in the event's catalog; this is cumulative if multiple booths are reserved.

# Organizing Institutions

## Guiding Units

- SHENZHEN FEDERATION OF INDUSTRY& COMMERCE

## Host Organizations

- Shenzhen Association for Vacuum Technology Industry
- Shenzhen Baoan District Vacuum Industry Technology Innovation Alliance
- Shenzhen Vacuum Technology Expert Committee
- Shenzhen Rongsen Conference & Exhibition Co., Ltd.

## Co-organizers (in no particular order)

- DMP Greater Bay Area Industrial Expo
- Vacuum Equipment Branch of China General Machinery Industry Association
- Materials and Manufacturing Technology Branch of the Chinese Academy of Agricultural Sciences
- Electron Beam and Ion Beam Committee of the China Electrotechnical Society
- Society of Vacuum Coaters
- Shenzhen Corrosion and Protection Society
- Shenzhen Vacuum Society
- School of Physics and Optoelectronic Engineering, Shenzhen University
- Beijing Vacuum Society
- Shanghai Vacuum Society
- Guangdong Optical Society
- Taiwan Association for Coating and Thin Film Technology
- Taiwan Photonics Industry & Technology Development Association
- Hong Kong Surface Finishing Society
- Shenzhen New Materials Industry Association
- Shenzhen Battery Industry Association
- Shenzhen Surface Engineering Association
- Shenzhen Circuit Board Assembly Association
- Beijing Join Armament Technology Academe
- Dongguan CNC Tool Industry Association
- Shenzhen Intelligent Wearable Industry Association
- School of Materials Science and Engineering, Taizhou University

## Supporting Organizations (in no particular order)

- China Vacuum Electronics Industry Association
- Hong Kong Electro-Plating Merchants Association
- Guangdong Automotive Products Association
- Shenzhen Aerospace Industry Association
- Shenzhen Solar Energy Society
- Shenzhen Guangxi Chamber of Commerce
- Shenzhen Mold Technology Society
- Shenzhen Association for Quality
- Chengdu Surface Engineering Industry Association
- Shenzhen Beidou Satellite Application Industrialization Alliance
- Shenzhen Fastener Industry Association
- Shenzhen Semiconductor Industry Development Promotion Association
- Shenzhen Enterprise Technology Innovation Promotion Association
- Shenzhen Shantou Chamber of Commerce
- Shenzhen Credit Promotion Association
- Shenzhen Baoan District Semiconductor Industry Association
- Shenzhen Baoan District Small Home Appliances Enterprise Association
- Shenzhen Baoan District Mold Industry Association
- Shenzhen Baoan District Mobile Intelligent Manufacturing Equipment Association
- Foshan Shunde Chenchun Stainless Steel Industry Association

## Special Supporting Companies (in no particular order)

- Shenzhen Tongchan Lixing Technology Group Co.,
- Shenzhen Times High-Tech Equipment Co., Ltd.
- China Southern Glass Holding Co., Ltd.
- Gardner Denver Machinery (Shanghai) Co., Ltd.
- Nanofilm Vacuum Coating (Shanghai) Co., Ltd.
- Vidali Technology Co., Ltd.
- Guangdong Zhenhua Technology Co., Ltd.
- Shenzhen GCL Environmental Protection Industry Co., Ltd.
- Shenzhen Golden House Vacuum Technology Co., Ltd.
- Shenzhen 3 Beam Coating Technology Co., Ltd.
- Creasian Industrial (Shenzhen) Co., Ltd.
- Hang Kei Plating (Shenzhen) Co., Ltd.
- Shenzhen Tiancheng Vacuum Technology Co., Ltd.
- Hunan Chenhao Vacuum Technology Co., Ltd.
- Tianjin Jizhaoyuan Technology Co., Ltd.
- Jiangyin Elm Vacuum Equipment Co., Ltd.
- Shandong Baofeng Metallizer Co., Ltd.
- Beijing Tiandi Jingyi Technology Co., Ltd.
- Shenzhen Senfung Vacuum Coating Co., Ltd.
- Jiangsu Hongtai Polymer Materials Co., Ltd.
- Shenzhen Hengyunchang Vacuum Technology Co., Ltd.
- Shenzhen Aomeite Nanometer Technology Co., Ltd.
- Shenzhen Jiade Vacuum Optoelectronics Co., Ltd.
- Beijing Tianqi New Materials Technology Co., Ltd.
- Shenzhen Real Optical Electronics Co., Ltd.
- Bluestar Technology (Shenzhen) Co., Ltd.
- Shenzhen Southern Innovation Vacuum Technology Co., Ltd.
- Oriental Kunlun (Shenzhen) Law Firm
