

Instructions for applying to join us

The International (Macau) Institute of Academic Research was established on September 1, 2013, and was officially approved by the Macao Special Administrative Region Government on June 7, 2017. It is an authoritative non-profit academic research institution. The Regulation of association were published in the second group of the 24th issue of the Official Gazette of the Macao Special Administrative Region on June 14, 2017, the legal person registration number of the Macao Identification Services Bureau is: No. 8149, the legal person registration number of the Macao Notary Office is No. 44 of the 1/2017/ASS file group.

We carry out our work in accordance with the 《Basic Law of the Macao Special Administrative Region of the People's Republic of China》 and the 《Regulation》 of Association, the purpose is to love academic research, unite the majority of academic research enthusiasts in the world; enthusiastically serve the society, promote, popularize, and promote the prosperity and development of various academic research fields.

We have 9 research units, 5 work units and 6 affiliated institutions, involving research, culture, education, charity, social services, publishing, competitions, etc. There are more than 2,200 experts and scholars in the fields of music, sports, education, psychology, literature, history, society, economy, management, language, information, art, medicine, mathematics, architecture, astronomy, etc. (including members of subordinate units).

We have won praises from the industry for our good development momentum. Since our establishment, we have been committed to strengthening international academic exchanges, and have established international friendly cooperative relations with

國際(澳門)學術研究院

INTERNATIONAL (MACAU) INSTITUTE OF ACADEMIC RESEARCH

many universities and well-known institutions at home and abroad, It has become one of the most dynamic and influential academic research organizations in Macao. Since its preparation and establishment, it has completed donations for the establishment of Hong Kong, Macao and Taiwan libraries for colleges and universities, promoted the establishment of Chinese Mother's Day, applied for research projects and received funding from the Macao SAR government, co-organized international and national cultural and art competitions, donated research funds, etc. Over the years, we have published and participated in the editing of many books, and published papers in various fields in professional journals, and our academic research results have also won many awards in many fields. In the future, it is expected that the Institute will be further developed into an internationally renowned research institution and an important think tank.

In order to enable the majority of academic research enthusiasts to communicate domestic and international academic research information in a timely manner,

We host or co-organize academic activities, competitions, seminars, etc. every year, and attract academic research enthusiasts from all over the world as members to better promote academic research activities. Here, we warmly welcome all academic research enthusiasts to join us and jointly promote Macao's academic research career to a higher level!
