TEA TREE REJUVENATING HAIR CARE SERIES

Hand-harvested in small batches for optimum quality and sustainability

TEA TREE REJUVENATING HAIR CARE SERIES

SKTS500

Tea Tree Rejuvenating Shampoo

Feature:

Tea Tree Rejuvenating Shampoo helps revive and rejuvenate the hair follicles and improve scalp health. Botanicals such as tea tree oil, peppermint and lavender contain antifungal and antibacterial properties that prevents dandruff, soothes scalp and promotes hair growth.

SKTC500

Tea Tree Rejuvenating Conditioner

Feature:

Tea Tree Rejuvenating Conditioner is a blend of rich botanicals such as tea tree, aloe Vera extract, coconut oil, vitamin E and B5. The natural ingredients help reduce split ends and prevent hair breakage. The conditioner works like magic on the dry and brittle scalp, making hair soft & smooth.

SKTS100

Tea Tree Rejuvenating Spray

Feature:

Tea Tree Rejuvenating Spray is a light-weighted spray that hydrates and detangles hair for a radiant-looking shine. It protects the outer cuticle layer during hair styling by lubricating the hair to create smoother looking strands.

SKTC300

Tea Tree Curly Defining Cream

Feature:

Tea Tree Curly Defining Cream is a botanical concoction that defines your natural curl pattern and gives you an intense dose of moisture. A leave-on cream that contains the healing and restorative properties of natural Aloe Vera and Tea Tree Oil.

SKTM300

Tea Tree Rejuvenating Mask

Feature:

Tea Tree Rejuvenating Mask is a pure botanical blend of Tea Tree, Peppermint, rosemary oil and aloe vera extract. Each of these ingredients are enriched with natural oils, vitamins and healing properties that are essential for repair and hydration.

SKHC050

Tea Tree Hair Clay Strong Hold

Feature:

This professional hair clay provides natural hold, adding volume and strong definition to the hair. This botanical formulation controls frizz and provides a non-sticky and non-greasy finish.

GINGER SCALP TREATMENT HAIR CARE SERIES

GINGER SCALP TREATMENT HAIR CARE SERIES

**WITH PURE GINGER
ROOT EXTRACT**

SKGS500

Ginger Anti-fall Shampoo

Feature:

Ginger Anti-Fall Shampoo is a botanical formulation with essential oils to soothe dry itchy scalp. It eliminates dandruff & lift away dirt and impurities. Therapeutic properties of Ginger prevents fungal growth and promotes healthy hair growth.

SKGM300

Ginger Anti- Fall Scalp Treatment

Feature:

Ginger Anti- Fall Scalp Treatment is enriched with ginger essential oil that nourishes the scalp and rebalance it from excess oils and sebum. It soothes dryness, itchiness and helps dry scalp of flakiness between washes.

SKHW050

Ginger Hair shining wax

Feature:

Ginger Hair shining wax is a botanical formulation with ginger extract & Shea butter that helps you to create long- lasting and authentic textured styles while adding shine to natural hair.

BENEFITS

- Ginger promotes natural hair growth & prevents hair loss. It repairs hair follicles and balances oil secretion.
- Plant extracts have antiseptic properties that helps to fight dandruff and reduces scalp infections.
- Ginger extract provides some natural conditioning benefits to help improve the look and feel of your hair.
- Natural ingredients prevent split ends and helps with detangling your hair.
- Ginger Anti Fall scalp treatment has properties that will bring your flat and thin hair back to life.
- Natural ingredients are suitable for all hair types.

STRAIGHTENING CREAM

Australian Macadamia Natural Oil restores health, softness, shine and shields the hair from chemicals and heat. This straightening cream smooths the hair fibre to make blow drying easier and coats the hair with a protective layer.

C102246
Sinko Advanced Natural Style & Straightening Cream (for resistance hair) (S1+S2) 800ml*2

Feature:
Sinko Advanced Natural Style & Straightening Cream is a botanical formulation of high conditioning ingredients for a smoother, shinier and frizz-free hair. It is specifically designed for resistant locks & preserves hair quality.

SKUK501

SINKO STYLING BRAZILIAN KERATIN Purifying Shampoo No.1

Feature:
Exclusively developed for clarifying hair before Keratin Treatment. Unique deep cleansing formula not only clarifies hair deeply, removes residual buildup, but also opens the hair cuticles to prepare the best hair environment for Keratin Treatment, it's highly recommended to use before doing the perfect SINKO STYLING Keratin treatment.

SKUK502

SINKO STYLING BRAZILIAN KERATIN Treatment (FM Free)

Feature:
Sinko Styling Brazilian Keratin Treatment is an exclusive formulation that focuses on repair and improves the quality of hair. This formula is formaldehyde free and boosts the feel, look and quality of hair. Hair is left more manageable, frizz free, smooth and straight.

SKUK503

SINKO STYLING BRAZILIAN KERATIN Daily Shampoo No.3

Feature:
- A unique formulation for frizzy hair in need of manageability.
- The sulphate free formula makes it ideal for very sensitised, colour treated or chemically treated hair.
- It protects the hair from heat and frizz-inducing factors.

SKUK504

SINKO STYLING BRAZILIAN KERATIN Daily Conditioner No.4

Feature:
Sinko Styling Brazilian Keratin Daily Conditioner contains essential organic mineral extracts that coats each hair fibre restoring uniformity for perfectly smooth hair. It's regenerating composition nourishes & strengthens the hair.

C151605

Splex No.0 (Colagent)

Feature:
This technology promotes an instant reconstruction of the hair fibre and reduces frizz. Hair is left soft, shiny and straight.

C151603

Splex No.1 (Treatment)

Feature:
A professional treatment that promotes repair with the highest dose of Splex technology which rebuilds hair bonds, strengthens and protects hair integrity.

C151604

Splex No.2 (Fixer)

Feature:
Our formulation utilises natural agents to encourage and promote fuller, thicker and stronger hair. Hair length quality is visibly improved and the fibre is sealed, coated and repaired for a smooth knot-free touch.

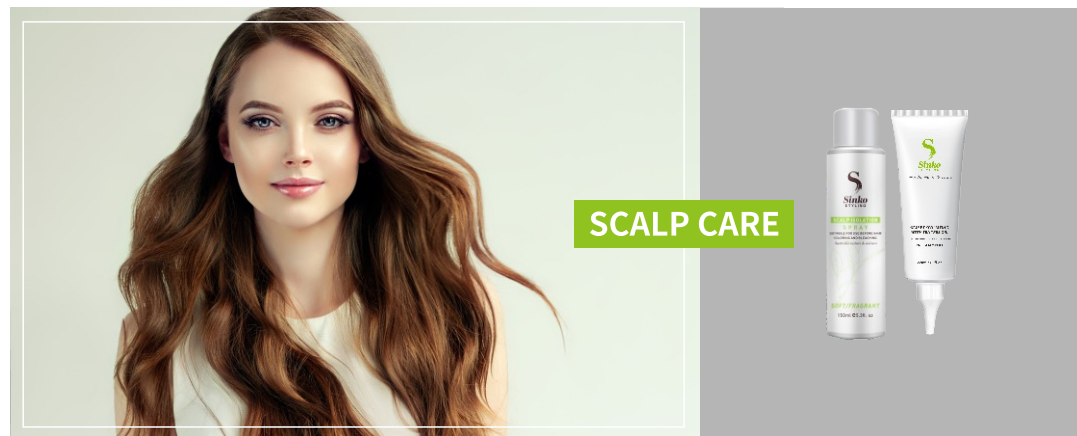

SKBR500

Bond repair complex and collagen

Feature:
Repairs, Restores, and Strengthens Weak, Damaged, and Overprocessed Hair To Restore a Healthy Look While Promoting Natural Hair Growth.

SKAS150
SCALP ISOLATION SPRAY

Sinko Styling isolation spray based on olive fruit oil essence, it reduces scalp discomfort, fits the scalp and soothes nourishment, forms an oily protective layer on the scalp between sprays, reduces chemical residues in the hairdressing process, improves scalp comfort, and moisturizes hair roots. It doesn't affect the hairdressing effect and keeps the scalp in a clean and comfortable environment.

SKPS220
SCALP EXFOLIATING WITH TEA TREE OIL

Over 99% high concentration of Australian tea tree essential oil, extracted from Australian tea tree, effective antibacterial anti-dandruff, anti-inflammatory and anti-itch. The botanical formula deeply cleanses the hair and scalp of excess oil and dirt, delivers nutrients to the scalp and balances oil.
