

# REAL PROJECTS

►Space capsule can be widely used in scenic areas, cultural and creative industrial parks, luxury resorts, homestays, sightseeing agriculture, Gobi motorcycle competitions, and more. Under the azure sky, wherever travelers walk, there can be its shadow.

- ▶ In the past , the sun became slow,
- ▶ Cars, horses and mails were all slow, when you leave the noise and get close to nature, your heart will be slow.

► Travel is an adventure to let go of oneself to his leader's face, to his unattainable beauty, to lie in nature of a day, open your eyes, and start your life again.

▶ Traveling is also a carnival for a group of people. It's comfortable to take off the shackles of life and bring your family and friends to catch fish and talk outside the city off .

- ▶ There are green grass and green
- ▶ Mountains outside the window,
- ▶ and birds are singing in the forest,
- ▶ Such a leisurely life is worth remembering forever.

► Providing travelers with the warmest services.

► It can serve as a tea room, study, mini cultural center, parent-child characteristic homestay, picture book library, meditation space, etc.,
